Dear Chair Granger and Ranking Member DeLauro:

I am requesting funding for 500 Mountainview Terrace Bike Path Project in fiscal year 2024. The entity to receive funding for this project is the Borough of Dunellen, located at 355 North Avenue, Dunellen, NJ 08812. The funding would be used to construct a looped bike path in the northerly portion of the Borough. The Project will generally include the construction of the bike path, landscaping, the restoration of the site and other incidental improvements. The project is an appropriate use of taxpayer funds because the Path is envisioned to supplement the proposed Green Brook linkage which is recommended under the Middlesex County open space and recreation plan. The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(1). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bonnie Watson Coleman
Member of Congress
