Honorable Rosa DeLauro  
Ranking Member of the House Appropriations  
Committee  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Cherry Valley to Skillman Village Wastewater Treatment Plant Consolidation in Fiscal Year 2027. The entity to receive funding for this project is Montgomery Township, New Jersey at 100 Community Drive, Skillman, New Jersey 08558. The funding would be used to improve wastewater treatment efficiency, reduce operational costs, and eliminate discharge into local waterways to enhance environmental water quality.

The project is an appropriate use of taxpayer funds because the consolidation in wastewater facilities will support long-term sustainability, regulatory compliance, and improved water services for residents. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

BONNIE WATSON COLEMAN  
Member of Congress
