Honorable Rosa DeLauro
Ranking Member of the House Appropriations
Committee
1036 Longworth House Office Building
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for North Brunswick Community Resilience Hub in Fiscal Year 2026. The entity to receive funding for this project is the Township of North Brunswick located at 710 Hermann Road, North Brunswick, NJ 08902. The funding would be used for the creation of a multi-hazard, multi-purpose Community Resilience Hub in the Municipal Complex. The hub will provide immediate shelter to residents during extreme weather events and other emergencies and a venue to facilitate effective emergency decision-making by Local, County and State leaders. The project is an appropriate use of taxpayer funds because it will assist in risk reduction through sheltering and direct relief to residents from several natural hazards to include flooding, extreme heat, extreme cold and transportation disasters. The project has a federal nexus because the funding provided is for purposes authorized by 5305(a)(2) of the Community Development Fund.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

BONNIE WATSON COLEMAN
Member of Congress
