Honorable Rosa DeLauro  
Ranking Member of the House Appropriations  
Committee  
1036 Longworth House Office Building  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Route 522 Realignment Extension Project in Fiscal Year 2026. The entity to receive funding for this project is the Township of South Brunswick, located at 540 Ridge Road, Monmouth Junction, NJ 08852. The funding would be used for the construction of approximately 1.5 miles of new roadway and infrastructure upgrades including storm drainage improvements, water line installation, retaining wall construction, construction of infiltration basins, installation of curbs and sidewalks and roadway pavement. The project is an appropriate use of taxpayer funds because it would reduce congestion in an area where backups are common and improve safety. The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133 – the Surface Transportation Block Grant Program.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

BONNIE WATSON COLEMAN  
Member of Congress
