Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for Assunpink Greenway in fiscal year 2025. The entity to receive funding for this project is the City of Trenton, located at 319 E State Street, Trenton, NJ 08608.

The funding would be used for a recreational development project that would transform former industrial sites within a floodplain in an economically distressed, environmental justice neighborhood, into an active recreational asset. The project is an appropriate use of taxpayer funds because it will permanently transform this neighborhood and increase its resilience to climate and economic challenges.

The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bonnie Watson Coleman

Member of Congress
