Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for a Safety Access Road in fiscal year 2025. The entity to receive funding for this project is the Township of North Brunswick, located at 710 Hermann Road, North Brunswick, NJ 08902.

The funding would be used for the construction of an access/connector road. The project is an appropriate use of taxpayer funds because it would increase Linwood School safety in an emergency, provide overflow parking access, and serve as overflow in an emergency from the new Community Resilience Hub.

The project has a Federal nexus because the funding provided is for purposes authorized by 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Bonnie Watson Coleman

Member of Congress
