Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Southern Middlesex County Flood Mitigation and Resilience Project in fiscal year 2023. The entity to receive funding for this project is the County of Middlesex, New Jersey, located at 75 Bayard Street, New Brunswick, NJ 08901. The funding would be used for improving flood resilience due to flooding from extreme weather and precipitation events by identifying and addressing gaps in flood resiliency planning within the Southern Middlesex region as it relates to Climate, Equity, and Resiliency. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Bonnie Watson Coleman  
Member of Congress
