Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for BetterFutureLabs in fiscal year 2022. The entity to receive funding for this project is Tech United:NJ BetterFutureLabs, located at 101 Jefferson Street #1, Hoboken, New Jersey 07030. The funding would be used for running a immersive technology program that will cultivate the next generation of diverse tech leaders centered in Princeton, New Jersey. The project will work with Princeton University to recruit students from diverse communities like Trenton to narrow the diversity gap in the industry and foster talent and entrepreneurship. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Bonnie Watson Coleman  
Member of Congress
